

MON P'TIT PITHON

Production: 10 200 bottles
Yield: 40hl/ha
Surface: 1,2 ha

The young vineyards of Grenache Noir bought in 2007 gave us whole satisfaction to elaborate this vintage.

I look for fruit, curvature and pleasure. A wine to be drunk with friends, during a friendly meal. The simple pleasures of the life as eating, drinking laughing could summarize this P'tit Python.
