Vin de pays des côtes catalanes

MON P'TIT PITHON

Mis en bouteille au domaine

12,5 % by volume - Olivier PITHON 66600 Calce - France 750 ml

Product of France

From the acquisition of a new plot of marl land at the entrance to the village of Calce, I have been able this year to produce a "p'tit vin" (little wine) coming from young Carignans with a touch of Syrah.

A simple wine intentionally as light as possible. A wine for fun to share with friends.
